Dear Sir:

Respecting my military grant of November 3rd, E.½ Section 33. Township 22 Range 11, West of the Fourth Meridian, I must add when I had the lumber placed on the ground to build my house, there was a foot of snow and the weather so severe up to the time my health demanded care it was unfit for building and while I can only say truthfully at present the value on my house is $100.00. I have purchased material in Brooks to more than treble that value when I can place it on my groudd. I have a man hired by the month to carry on the work under my husband's suprevision and part of the time day labour assistance is added. I have no desire to shirk my duties on this land but rather wish to improve it for a permanent home as far as health and means will allow.

Yours respectively,

Mrs. Elizabeth McMillan

Dear Sir:

Re: S.½ 1-27-6-W4

This Department has an old account against the above noted land for advances of relief and feeder to J.F. Harabeck in 1913. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Re: Account of J.F. Horabeck
S.½ 12-27-6-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 fodder and relief amounting to $145.30 were advanced to J.F. Horabeck on the security of the above mentioned land. Payments of $51.65 and $100.00 were received in 1927 and 1928, respectively, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 69.79	$ 102.63	$ 172.42

Patent was issued in the name of J.F. Horabeck for the S.W. 12-27-6-W4 on the 19th of February 1920, subject to the liens. The S.E. 12-27-6-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled in 1927 and the land is still unalienated Crown Land held in the right of the Province.

The S.E. ¼ is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. It is not assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our advances.

The S.W. ¼ is now assessed in the name of a Mr. Arnold W. Stubbs of Hanna, Alberta. The land is assessed as of very low value and is no longer being operated. There is also an accumulation of $95.03 arrears of taxes outstanding against this quarter section. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

C.M. Gilchrist.

Memorandum:

Request for Transfer of Dominion Lands.

Re: Paul H. Swanson - Lieut.
N.E.¼ 9-28-5-W.5th M. - Hsd.

The above named settler secured advances from the Board totalling $6600., the Board taking a charge upon his unpatented homestead above described. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Swanson requesting that patent to his homestead should be issued in favour of the Board. Mr. Swanson states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 16th June, 1925.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1821), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 9-28-5-W.5th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

Chairman.

AND WHEREAS Paul H. Swanson is a settler within the meaning of the Soldier Settlement Act who holds the N.E.¼ 9-28-5-W.5th M.;

AND WHEREAS The Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board;

WITNESSETH that the undersigned, pursuant to the powers and authorities conferred upon him by the said Section One of the Regulations for the transfer of certain lands to the Board where settlement duties completed, as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1821), declares the right, title and interest of His Majesty in the said land except mines and minerals, whether solid, liquid or gaseous to be vested in the Board.

Dear Sir:

I homesteaded on a piece of land near Hannah, Alberta, in the year 1911, and moved off of same in the year 1923, and returned to the United States.

I made no application for citizenship at that time, and therefore I never was a citizen of Canada. I would have you furnish me the necessary papers, showing that at that time it was not necessary to become a citizen in order to prove up on a homestead, and also that I did not do so.

Your usual prompt attention to this matter will be appreciated very much,

Very truly,

This certificate was dated the 30th June, 1914, and was returned the 5th September, 1914.

If you are the W. Adam mentioned, the details given above will provide the information you desire.

Sir:

I have received your communication of the 2nd instant, in which you ask for a letter to the effect that it was not necessary to become a citizen in order to prove up on a homestead in Canada.

In reply, I have to state that according to departmental files one Wilhelm Adam, a farmer, of Hanna, Alta., of former U.S.A. nationality, was naturalized in Canada through the Supreme Court, Calgary, Alta., on the 30th June, 1914. If you are the person in question, you are deemed to be a British subject by naturalization.

I am transferring copies of this correspondence to the Registrar of Lands, Department of Mines and Resources, Ottawa, so that he may advise you "whether or not it was necessary to become a citizen in order to prove up on a homestead in Canada".

I have the honour to be,

IN THE MATTER OF the Homestead entry hereinafter referred to.

I, Mary Alice Haupert of near Cessford in the province of Alberta, do solemnly declare -

1. When I made my application for a Homestead entry for the south-east quarter of section 20, in township 23, range 11, west of the 4th meridian, in the province of Alberta, I had been separated from my husband for more than 4½ years, and in the month of November,1905, which was a few months after our separation, I applied to the Probate Court of the Commonwealth of Massachusetts holden at Salem in and for the County of Essex, for the care and custody of the infant child of myself and my said husband, and the order ,of which a true copy is now produced and shown to me marked with the letter "A", was made upon my said application.

2. Since the making of the said order I have only seen my said husband once, namely, in the month of August,1906.

3. I came to Alberta in February,1910, and at the time of the making of my said entry I had neither seen nor heard from my said husband since August,1906. In the fall of 1909 I made inquiries for him with a view to ascertaining as nearly as I could where he then was, and what his condition was, and the only word that I could get of him was that he was then seriously ill, but I could not locate him, nor could I learn anything further of him, although I made every possible effort to do so, than the foregoing.

4. I lived at Plymouth, Massachusetts, and Boston, Massachusetts, until the fall of 1906, and I then took up the occupation of travelling, taking orders for certain articles of merchandise, and I followed this occupation for three years, during which time I travelled practically all over the United States from Massachusetts to California, and all through the south, and I ceased this occupation in the fall of 1909, and during all the time that I was so travelling I had no communication with, nor did I hear anything whatever from my said husband, and it was when I gave up the said occupation in the fall of 1909 that I made the inquiries respecting him which are above referred to.

5. I heard absolutely nothing of my said husband after the inquiries which I so made of him in the fall of 1909 until I came to Alberta in 1910, and at the time that I made my said homestead entry I had neither seen nor heard anything of him since August, 1906, beyond the fact above referred to which I learned in the fall of 1909, that he was then seriously ill.

6. At the time I made the said entry I was supporting my said child and helping to support my mother, who is over 60 years of age, and my sister, who is about 36 years of age, who then was and still is suffering from curvature of the spine, which disables her from work, and I was through my own efforts entirely supporting myself and my said child and contributing largely to the support of my mother and sister.

I had seen a copy of the regulations of the Department of the Interior and of the Dominion Land Act, and I understood from them that any person who was a head of a family was

entitled to make homestead entry. I was then honestly of the opinion from the facts aforesaid that I was the head of the family and that I was entitled as such to make the entry which I did make for the said homestead. According to the best of my recollection the other provisions of the said Act and of the said regulations dealing with the question of a widow making a homestead entry were not brought to my attention, and I did not know until very recently that a woman who was not a widow was not entitled to make a homestead entry. My recollection as to what took place with respect to my condition at the time that I made the said entry is very indistinct. I have no recollection of having been asked whether or not I was a widow, and I have no recollection of having seen or of having had read to me a statement in my declaration that I was a widow. Under the facts as they existed at that time I was under the impression that what had taken place in the Massachusetts court made me to all intents and purposes a widow, and if I made the statement that I was a widow when I made my said application the same was due to my idea that I was in law a widow under the above circumstances, as I really believed myself to be in ~~fact~~, if not in ~~law~~ fact.

7. I made my application for the said homestead in absolute good faith, and without the slightest knowledge on my part that in so doing I was violating any law or regulation of the Dominion of Canada, or that I was stating anything that was not the absolute fact.

8. I resided on the said quarter section and the adjoining quarter section, which I preempted at the same time, for 9 months of the year 1910, after making my said entry, and I have lived on the same about 3 months

in the year 1911.

9. I have entirely fenced but of the above mentioned quarter sections with outside fences and have cross-fenced the same. I have broken about 70 acres of land on the said homestead and the same is now in crop. I have put up a dwelling-house on the said homestead, which I occupied with my son for the greater part of the period of my 3 months residence on the same ~~and~~ last year and which I have occupied for 3 months this year with my mother, sister and son. I have also built on the said homestead a barn about 24 'x 32', and have dug a well. The improvements so made by me upon the said homestead and the adjoining quarter have cost me at least the sum of $ 1900.00 all of which improvements with the exception of the fences on the quarter preempted are upon the said homestead.

10. I have taken the said property as a place of residence for my mother, sister, son and myself, all of whom are now absolutely dependent upon me, and if through my inadvertence my said entry is cancelled it will absolutely ruin me and I will be left with my said mother and sister, and my son, who is now in the 11th year of his age dependent upon me without my having any means whatever to support them.

11. So soon as I was made aware of the fact that in my declaration made on my entry I had described myself as a widow and before I had received any intimation whatever from the Department of the Interior that my entry was called in question in any way I went to the Dominion Lands Agent at Calgary and advised him fully with reference to the foregoing facts, and filed before

him candidly my position with reference thereto, and all that I have done in this connection I have, according to the information which I had and my understanding of the laws and regulations and of what was required of me , used the most absolute good faith and if I have been guilty of any breach either of the law or of the regulations governing the entry for homesteads the same has been due entirely to inadvertence on my part and to the honest belief on my part that I was entitled to what I asked for and ~~not making~~ I did not wilfully make any wrong statement in connection with my application.

12. I have bought and placed upon the said land a number of head of pure bred cattle and pigs, for which I paid between $700 and $800 .

AND I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of "The Canada Evidence Act."

DECLARED before me at the city of Calgary, in the province of Alberta, this 1st day of August, 1911.

Mrs Mary A. Hamfrat

Gentlemen:

Re. Application of
Theodore (Fred) Iwanik.

I am assisting the above named in making his application for the Old Age Security. The only obstacle seems to be the proof of his age. On account of war time destruction he cannot obtain his birth certificate from his old home place. Hence this letter to you, in view of searching his homestead entry records.

To the best of his recollection he filed on the N.W.8-58-10-4th M. in Edmonton, in 1910. If not found in 1910 records, will you please carry your search farther back to 1909 and 1908.

Yours truly,

Memorandum:

Mr. Liddell,
Land Patents Branch.

Lands in Westview and Slade Leases.

When the Soldier Settlement Board commenced operations in 1919 under the Soldier Settlement Act an Order-in-Council was passed (4th October, 1919) authorizing the setting apart of any particularly valuable Dominion Lands which might become available for the purposes of the Board.

From the lands placed at the disposal of the Board under the terms of this Order-in-Council were certain tracts withdrawn from the Westview Block and Slade lease in connection with which the Board paid certain moneys to the lessees to obtain the relinquishment of their rights so that the lands might be made available immediately for soldier settlement.

The Department of the Interior has resumed the control and administration of any lands placed at the disposal of the Board which have not been taken up by soldiers but it has been decided that the Board has a right to retain control of the lands withdrawn from the two leases mentioned, in view of the fact that they had to buy out the lessees.

Attached hereunder is a copy of an Order-in-Council dated the 11th instant transferring to the Board certain lands described in a schedule attached to the Order-in-Council.

The principal titles are not, as herewith for whatever action that may be necessary, with a view to transferring title or issuing patent in favour of the soldier settlement area. The title relating to the Dominion Lands Office number will be sent you separately.

DOMINION LANDS AND CROWN TIMBER OFFICE

Lethbridge, Alta., Feb. 20th, 1916.

Sir,

I beg to advise you that I have received two unsigned relief liens against the North West quarter of section 18, Township 9, Range 14, West of the 4th Meridian, in the sums of $42.00 and $58.00 respectively. The lien for $42.00 is marked "added to Seed Grain Lien No.65277", but it would not appear that either of these items is included in the list of securities which consist entirely of Promissory Notes and which had been added to the seed grain liens, a list of which was forwarded to this office by the Commissioner of Immigration on the 5th December, 1915, Ref.-40974.

In the list of seed grain securities received from the Commissioner of Immigration Seed Grain Lien No. 65277 is for $444.90 and is dated the19th February, 1915, and I would be pleased to be advised whether I am correct in assuming that the amounts of the two relief liens have been included in the amount of such seed grain lien.

Dear Sir,- -re John Christie-N.W.¼ of 18-9-14-W.4 M.-

Mr. Christie has obtained an abstract covering the above property for certain purposes of his own and finds recorded against this piece of land, which he is the owner of, certain sums of money as owing to the Crown for fodder and relief, which he contends he never received.

The registered instruments to which we refer are, an instrument to the Crown for $108.10 and interest at five per cent for fodder, and $25 and interest relief from the 1st of January 1916, Reg. 18nd November 1915,; another instrument to the Crown for $392.90 and interest at five per cent for fodder and $152 and interest relief from the 1st of January 1916 Reg. 18nd November 1915. As already mentioned Mr. Christie disclaims ever having received these amounts from the Crown, and he is desirous of making some deal in connection with the property in question and desires to have these removed as speedily as possible.

Kindly advise by return mail what the Department will require from Mr. Christie, which we presume will be a Statutory Declaration, in order to have these instruments taken off the record.

Yours truly,
MYERS & LEWIS.

Dear Sir:-

Re: John Christie, SW 18-9-14-4
Dominion Liens.

Mr. John Magee, of Purple Springs, Alberta, has written to inform me that he has purchased the above described property from John Christie, in whose name it stands at the present date. On writing to the Registrar of the Land Titles Office for Abstract of Title, he found that, although there were no Crown liens actually registered on the title, there were the following seed grain liens for advances to John Christie shown on the General Register:-

Seed Grain	$444.90
Fodder	108.55
Relief	125.00
Seed Grain	544.90
Seed Grain	134.00

Mr. Magee states that he bought this property nine years ago and the Vendor undertook to give him clear title. As he was about to make the last payment recently, he obtained Abstract of Title which disclosed the encumbrances mentioned on the General Register. He writes asking me to arrange through the Seed Grain Adjustment Board an adjustment which will prevent these liens becoming a charge on the property when it is transferred to him.

It is understood that the original debtor is dead and that his estate has practically no assets.

Will you kindly send me the necessary statement by the Financial Controller to enable me to deal with this application?

Yours truly,
W. LOREE,
Acting Director,

Sir:

I beg to acknowledge receipt of your communication dated the 17th November last wherein you request a statement for an adjustment in connection with the land above described.

As there is no record on file to indicate that John Christie ever had any interest in the S.W.18-9-14-W.4th, would it be possible that this land had been misquoted for the N.W.18-9-14-W.4th on the security of which John Christie incurred certain indebtedness in 1915?

Dear Sir:

Re. John Christie,
Seed Grain & Fodder
& Relief Liens.
Your file Nos-(1389447
(2082006.

I have received your letter of February 6th, 1929.

The position, which is apparently not clear to you from my letter of November 17th, 1928, is that title to the S.W.18-9-14-4 was acquired by John Christie of Purple Springs, Alberta on April 28th, 1914. He subsequently obtained seed grain, fodder and relief from the Dominion Government in the amounts shown in my previous letter and liens for these amounts are registered in the General Register in the Land Titles Office here. They do not appear on title to the land.

Christie sold the land under agreement for sale to one George Hensel, who will shortly complete his payments and obtain a transfer.

When he registers the transfer the Dominion Liens for the advances to Christie, now in the general register, will appear on the title, in accordance with the operation of Section 4 (Sub-section 2) of Chapter 14 of the 1915 Statutes of Alberta. Hensel has applied for an adjustment of this Christie indebtedness in order to prevent the operation of this section of the Statute, in so far as it may affect the S.W.¼-18-9-14-4.

This property may not have been given as security for the advances which apparently were made on the security of the N.W. 18.9.14-4 since the liens are actually registered

5338424

on the title to that property, but, in view of the fact that the liens will become a charge on the N.W.¼-18-9-14-4 in the ordinary way, Mr. Meisel is entitled to have his application considered.

I shall be glad therefor if you will send the necessary statement.

Yours truly,

This was the Lienee's homestead, patent to which was issued in his name on the 31st July, 1913. An Abstract of Title to this land drawn under date of the 27th September, 1926, shows title still standing in the Lienee's name with the Liens registered under date of the 27th December, 1916.

In a Homestead Inspector's report dated 9th March, 1926, it is stated that the Lienee is deceased, and nothing is being done with the land. Mrs. John Christie who resides at Faber, Alta., stated she had told the Royal Trust Company of Calgary that it was impossible for her to pay the indebtedness and she did not want anything more to do with the land. The Inspector states he was informed that Mr. G. Wright, who is related to Mrs. Christie, was looking after the land, but Mrs. Christie stated it was the Trust Company.

S.W.18-9-14-W.4th.

The patent to this land issued in the name of William F. Copley in 1911 and, although the Lienee mentioned it in his seed grain application, there is no information on file to show just what interest he had in the same.

Representations for an adjustment in connection with the [redacted] have been made through Mr. Lores who quotes his ref. as [redacted].

Dear Sir:

Re: Estate of John Christie, Sr., [illegible].

Under date of the 6th., [illegible], I requested a statement of the federal Advances [illegible] Part [illegible] of 18 - 9 - 14 W4th. Meridian.

The solicitors for the Estate of J. Christie Sr., deceased, [illegible] the lands of the estate are part of [illegible] West of 20-9-14-W4th. Meridian, while the part West of 1 -9-14-W4th. Meridian was the homestead of John Christie, Sr., [illegible].

A surviving member of the family, who claims to have [illegible] a full knowledge of his father's affairs in 1915 and 1916 states that [illegible] father did not obtain federal Advances at that time, and such advances must have been obtained by John Christie Jr., if the contention of the solicitors is correct, the title to the part West of [illegible] West of 20-9-14-W4th. Meridian should not be encumbered, and the two liens appearing on the general register in the Land Titles Office, so encumbering the two quarter sections represented a hindrance in the administration of the estate, of John Christie, Senior. Any information you can give us which will throw any light on this matter would be greatly appreciated.

Dear Sir:

Re: NW 17 & SW 20-9-14-W.4.

We have been informed by H.C. French, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, that there are certain Dominion liens encumbering the above mentioned land in the name of John Christie dated 1915. Although Mr. French does not give us the amount of the lien, the following are registered against the N.W. 18-9-14-W4: $42.00, $58.00, $25.00, $6.10, $102.45, $449.50.

There is now sufficient proof on our files to show that the John Christie who owned the N.W. 18-9-14-W4 is not the same person who owned the N.W. 17 and S.W. 20-9-14-W4. The above liens are, therefore, not a correct charge against the N.W. 17 and S.W. 20-9-14-W.4 and you are therefore, authorized and requested to remove them from this land.

Dominion Advances

Dear Sir:

The above party obtained the following federal advances giving as security liens on the above land.

Relief & Fodder 1915	$239.55
Seed Grain 1915	444.90
	684.45
	506.98
	1,185.43
Interest to July 31st,1953	486.10
	699.33
Payments	

The debtor is now deceased and it is accordingly impossible to obtain any recovery under the personal covenant.

Title to the N.W. 18-9-14-W.4th was taken by the Municipal District of Warner in the year 1931 through proceedings under the Tax Recovery Act. The land was sold in the year 1952 by the Municipal District to the St.Marys and Milk Rivers Development for the nominal sum of four hundred and fifty dollars ($450.00). The Colonization Manager for the St. Marys and Milk Rivers Development advises that in addition to monies expended for the purchase of this parcel the costs of irrigation works in respect of this land will be fifteen hundred dollars ($1,500.00). The sale price of this parcel, including water Right, was established at Thirteen hundred dollars ($1,300.00) resulting in a loss in these negotiations of Two hundred dollars ($200.00).

As the development of the project referred to herein is a joint Provincial-Dominion undertaking any demand for monies in settlement of this debt would only add to the cost of the project from public funds. It is therefore my recommendation that this account be written off in its entirety and the corresponding liens be discharged.

Sir,

Referring to my letter of the 23rd August last requesting you to make an inspection at an early date of the north west quarter of section 19 and the south west quarter of section 30, township 3, range 7, the north east quarter of section 24 and the south east quarter of section 25, township 3, range 8, west of the 4th meridian, which lands are reserved for stock-watering purposes, and to report whether or not the lands are still required for the above mentioned purpose or for supplying water for domestic uses for the settlers and others in the vicinity, I am to request you to have your report in this matter forwarded immediately.

Your obedient servant,

Controller.

The Inspector of Ranches,

File No. 519,154 T&C.

November 30th, 1917.

MEMORANDUM--Mr. York.

At the request of certain ranchers and on the recommendation of the Inspector of Ranches the following lands were reserved for stock-watering purposes in 1910; the north west quarter of section 19, south west quarter of section 30, township 3, range 7, the north east quarter of section 24 and the south east quarter of section 25, township 3, range 8, west of the 4th meridian.

Representations having been made to the Department that these lands were no longer required for stock-watering purposes and should be opened for settlement in the interest of the district, the Acting Deputy Minister gave instructions on the 20th August last to have the lands reinspected, and when the report was received to submit it to his office.

A report on the lands has now been received from the Inspector of Ranches at Calgary. He states that the lands are suitable for agricultural purposes and are no longer required for watering stock, and he recommends that they be reserved for homesteading by local returned soldiers.

The lands were also inspected recently by Mr. J. C. Milligan under instructions from the Irrigation Branch. Inspector Milligan's report is similar to that furnished by the Inspector of Ranches.

These lands were not reserved by Order-in-Council and I think in view of the above reports that the reservation for stock-watering purposes should be withdrawn and the lands placed on the list of cancelled stock-watering reserves.

Memorandum: Mr. Bruce.
Reclamation Service,
Journal Building.

The north west quarter of section 19 and the south west quarter of section 30, township 4, range 7, and the north east quarter of section 24 and the south east quarter of section 23, township 5, range 8, west of the 4th meridian, are on the list of cancelled stock-watering reserves. You will notice on referring to copy of your memorandum herewith, enclosing a copy of the report of Mr. J.C.Milligan dealing with these lands, that he states, among other things, that there does not appear to be any scarcity of water in this district as there are plenty of wells and Bindloss Lake is quite close, and recommends that the water reserve be cancelled, and the lands thrown open for homestead purposes for local returned soldiers. In his report he also states that the land is rolling prairie, loam, good farming land, very few rocks and good grass. Our Inspector also reported that these lands are no longer required for stock-watering purposes and are suitable for agricultural purposes, and recommended that they be reserved for homesteads by local returned soldiers. In your memorandum you recommended that the report of your engineer be referred to Mr. York for such recommendation as he might care to make, and in view of the reports of the two officials the reservation of these lands for stock-watering purposes was cancelled.

In view of the tone of your memorandum, and of your engineer's report, it is assumed that these lands are not required in connection with the Bindloss water supply scheme of Dominion Lands, but before submitting for a decision as to the final disposition of these lands, I would ask you to be good enough to let me have a memorandum stating whether or not the lands are required in connection with the Bindloss water supply scheme.

Memorandum:Mr. York:-

The north west quarter of section 19, and the south west quarter of section 30, township 3, range 7, and the north east quarter of section 24, and the south east quarter of section 25, township 3, range 8, west of the 4th meridian, are on the list of cancelled stock-watering reserves. Our Inspector of Ranches in reporting on these lands stated that they are suitable for agricultural purposes. The Reclamation Service advise that the lands may be disposed of in so far as that Branch is concerned.

There is apparently a school site on the north west quarter of section 19, township 3, range 7, and in November, 1912, the Deputy Minister authorized the sale of an area not exceeding 4 acres to the Wagner School District No. 2382. On the 29th November, 1911, the Secretary of the School District was advised of the conditions under which the sale would be made. The Land Patents Branch state that before otherwise disposing of this site it would be well to communicate with the school authorities as to whether or not they require the land.

Under the circumstances, I think the south west quarter of section 30, township 3, range 7, the north east quarter of section 24, and the south east quarter of section 25, township 3, range 8, west of the 4th meridian, might now be transferred to the Soldier Settlement Board to be specially dealt with, and that the north west quarter of section 19, township 3, range 7, west of the 4th meridian, or the available portion thereof, be transferred to the Soldier Settlement Board when the matter of the sale to the School District is dealt with.
